

JUDGE AND JURORS PUBLICLY SCORED IN PATTERSON CASE

Colorado Governor and
Others Denounce Verdict
of Acquittal.

DENVER, Colo., Dec. 1.—Not in recent Colorado history has a verdict in a criminal case aroused such a storm of criticism as that heard today following the finding of the jury in the case of Gertrude Gibson Patterson.

This is largely the result of Thanksgiving services in the auditorium which were converted into a meeting denunciation of the Patterson case by the Rev. H. Martyn Hart, dean of the Episcopal Cathedral. He roused the audience to enthusiasm when he shouted:

"I am ashamed of the judge; I am ashamed of the jury, and I would be ashamed of myself unless I cried out against this travesty on righteousness. I am ashamed of the people who applauded this verdict. I ask you to stand up and say that this thing shall stop. It is a disgrace to the country. I find there are more murders in Denver than in London, and I expect to be murdered some day."

Governor Shafroth, Prosecutor Benson, and a score of other prominent men and club women all issued statements denouncing the jury's action.

Judge Hilton, Mrs. Patterson's attorney, said today his client would not run away from the criticism leveled at her.

Too Much Turkey,
Veterans In Hospital

Following the turkey dinner at the Soldiers' Home yesterday, about ten of the veterans of the institution were taken to the hospital for treatment for indigestion. The ordinary fare at the home is such that "the boys" always have enough to eat, so authorities at the home say it must have been a case of "too much to eat."
